

MacArthur and Seminary mural-Oakland, CA

May 22 2010

A new mural is going up in Oakland, CA, courtesy of The Community Rejuvenation Project and the Arrow Soul Council of Oakland Unity High School. I will add pics as the project progress up until its completion! They're working at an impressive pace and it's been great to see the involvement of youth, many of whom are no older than 15. They're having a mini-

block party this Sunday, May 22nd from 9 AM-9 PM, which includes painting and landscaping for a new community garden. Stop by if you can and they always appreciate good food and drink!
